TO WHOM IT MAY CONCERN

Dear Sirs,

Following an open call for tenders, EUROCONTROL Maastricht Upper Area Control Centre (MUAC) awarded WxFUSION a contract for a trial for state of the art CB-Now-casting tools to improve strategic and tactical airspace management.

The contract was performed by WxFUSION in accordance with the contractual conditions: Delivery was made on time, according to the specifications and within the foreseen budget. MUAC was specifically impressed by the quality of services offered by WxFUSION and the high standard of your products (Cb-Global in 2017 and Cb-NowFor6 in 2020) both from a technological and from a quality point of view.

The cooperation was marked by constructive collaboration and a fruitful cooperation as well as unprecedented ad hoc support offered by WxFUSION, safeguarding successful operational trials and validations.

Further details on this project can be obtained from the Project Manager in charge, Mr. Volker Stuhlsatz (Volker.stuhlsatz@eurocontrol.int).

Yours faithfully,

J. SANTURBANO  
Director Maastricht UAC
